

SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

What we learned:

Today the children learned about prayer, how they should pray, when they should pray, and why it is important to include prayer as a regular part of their daily living. There are many times when we should pray. The Bible says we should pray unceasingly. It is not always easy to pray aloud, but God doesn't care how we sound. He only cares that we pray. (Scripture used: James 5:13-18)

Memory Verses:

"Therefore confess your sins to each other and pray for each other so that you may be healed. The prayer of a righteous person is powerful and effective." James 5:16 NIV

Practice this verse several times with your child during the week. This will not only help him or her remember the verse, but it will also help to reinforce what he or she learned during class.

Suggested Parent/Child Activity:

Spend extra time with your child this week in prayer. Ask your child to look for opportunities to pray, and give suggestions of how they can pray for each one. This is a great time to start a prayer journal with your child. You can purchase an inexpensive notepad or notebook. Teach your child how to record their prayers by date, and also write down how God answered each prayer.

Daily Prayer:

Dear Lord. Thank You for hearing my prayers. Although sometimes I don't know what to say, it is comforting to know that You hear me, and understand me. Thank You for loving me, and giving me life. Amen.
