MATERIALS:

Pencils

DURATION:

Approximately 10 minutes

PREPARATION:

Print out an activity page for each child and obtain pencils.

WHAT YOU WILL DO:

Give each child an activity page and a pencil. Have the students complete the activity page individually. Answers will be discussed once everyone has completed the exercise.

WHAT YOU WILL SAY:

It will always be easier to go along with the crowd. However, fitting in with the crowd can have disastrous effects. In today's activity, we will learn why we should not be like everyone else, but rather live like foreigners in this world so that we can be a godly influence to those who need Jesus in their lives. *(Hand out the activity page and pencils at this time.)*
