

SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

What we learned:

Today, your child learned that God uses the trials and hardships in his or her life to perfect his or her faith and prove that it is genuine. Your child also learned that his or her faith is shielded by God's power and that his or her spiritual inheritance will never perish, spoil or fade. In addition, your child learned that he or she could use the problems that he or she endures to help minister to others. (Scripture used: 1 Peter 1:3-9)

Memory Verse:

"I consider that our present sufferings are not worth comparing with the glory that will be revealed in us." Romans 8:18 NIV

Practice this verse several times with your child during the week. This will help your child remember the verse and it will help to reinforce what he or she learned during class.

Suggested Parent/Child Activity:

Help your child make a list of Christians in his or her life that may need encouragement. Talk about different ways your child can then encourage these people. Some examples include: (1) Write a thank-you note to the pastor or Sunday school teacher; (2) Tell someone in the choir that his or her singing inspires you to worship God; and/or (3) Tell a friend that you admire the way he or she continually looks for ways to introduce others to Jesus.

Daily Prayer:

Dear Lord, we know that we will have trials and hardships in this life, Thank You for using these things to refine us spiritually and to perfect our faith. Help us to use these tough times to minister to others who are going through similar circumstances. Help us to look for ways to encourage fellow Christians in their spiritual walk. Amen.
