

THIS WEEK I LEARNED...

This week we learned about one of Jesus miracles: Jesus Feeds the Five Thousand from John 6. We asked the question: Even though we can't do miracles, how can we help others?

MEMORY VERSE: "And Jesus took the loaves; and when he had given thanks, he distributed to the disciples, and the disciples to them that were set down; and likewise of the fishes as much as they would." *John 6:11*

QUESTIONS TO ASK:

Why couldn't they get any food? (*they were too far from the towns*)

How many loaves and fish were there?

How much food was left over?

FAMILY FUN: This week we learned about miracles and what they are. Miracles still happen today, Jesus isn't here but He still listens to us and hears us. Can you name any miracles that have happened to your family or friends? (You can include "everyday" miracles like having your kids and explaining to them the miracle of birth, or someone surviving a bad accident, getting help or a word of encouragement when you needed it most).
