

THIS WEEK I LEARNED...

This week we learned about the unmerciful servant. God is constantly forgiving us and this parable teaches us that we need to keep forgiving others who have sinned against us. God asks us to be merciful towards others.

MEMORY VERSE:

"Then came Peter to him, and said, Lord, how oft shall my brother sin against me, and I forgive him? till seven times? Jesus saith unto him, I say not unto thee, Until seven times: but, Until seventy times seven".
Matthew 18:21-22

QUESTIONS TO ASK:

How many times does Jesus say we need to forgive others?

Why was the servant called unmerciful?

Is there ever a sin we don't have to forgive others?

FAMILY FUN: This week we learned about the unmerciful servant. Discuss or look up the word mercy. Talk about sins that would be really hard to forgive. How do you forgive when it's too hard? (ask for God's help). Practice having mercy with each other this week and forgive each other.
