

# SUNDAY SCHOOL TAKE HOME PAGE

*To parents:*

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

## What we learned:

The disciples were the beginning of the early Church, and as they were gathered together one day something amazing happened: Jesus' promise to send a helper came true at Pentecost! While some people mistakenly thought the disciples were drunk, most people recognized that Holy Spirit was an amazing gift. The Holy Spirit fills us with joy of the Lord's presence and guides us to live obediently. (Scriptures used: Acts 2:1-28)

## Memory Verse:

**“You have made known to me the paths of life; you will fill me with joy in your presence.” Acts 2:28 NIV**

Read the verse out loud with your child at least two times. Then trade off reading 3-4 words at a time. Swap words with one another and then read the verse again. Next, trade off reading 1-2 words at a time and repeat as many times as necessary. Lastly, challenge one another to recite the words without looking at the verse and continue this process until the verse is memorized.

## Suggested Parent/Child Activity:

While playing outside, blow some bubbles together. Point out the different sizes of the bubbles and how they are guided by the air or wind. Compare this experience to the guidance of the Holy Spirit: even when we feel we have little faith (represented by the little bubbles), the Spirit is our guide. Similarly, no faith is too big for the Spirit. Encourage your child to trust and obey the Spirit's guidance as they mature in their faith.

## Daily Prayer:

Thank You, God, for sending the Holy Spirit. Show us how to obey the Spirit's guidance so others may know You. Thank You for loving us and sending Jesus to die for our sins. Amen.
