

THIS WEEK I LEARNED...

This week we learned about Mother's Day and what it means to honor and bless our mother from Proverbs 31:28 and Ephesians 6:1-4.

MEMORY VERSE:

"Her children arise up, and call her blessed." *Proverbs 31:28a*

QUESTIONS TO ASK:

What are some ways to honor your mother?

Why should you listen to you mom?

What is one way you can bless you mom?

FAMILY FUN:

This week we learned what it means to honor and bless our mother.

Spend time helping your mom this week. Offer to set the table and clean up around the house. Also make an extra effort to thank your mother for the things she does for you. Try to do something each day of the week this week for your mom (color her a picture, clean up your toys without her having to ask, give her a big hug).
