

THIS WEEK I LEARNED...

This week I learned about the parable of the talents. The parable is about using our gifts and abilities that God gave us. If we use them wisely He will add to them, if we don't use them He will take them away.

MEMORY VERSE:

"For unto every one that hath shall be given, and he shall have abundance: but from him that hath not shall be taken away even that which he hath." Matthew 25:29

QUESTIONS TO ASK:

Was the talent worth a little or a lot?

What happened to the servant that doubled his talents?

What does God want us to do with our "talents"?

FAMILY FUN: This week we learned about how God invests in us. He makes us so we are able to do things that no one else can, special just to you. As a family talk about each other's gift and abilities. How can you use them together or separately? Find a way to do something with your special skill this week, don't be lazy and bury it!
