

THIS WEEK I LEARNED...

This week we learned a little more about the Bible - God's book written for each of us to learn from.

MEMORY VERSE: " Thy word is a lamp unto my feet, and a light unto my path."
Psalm 119:105

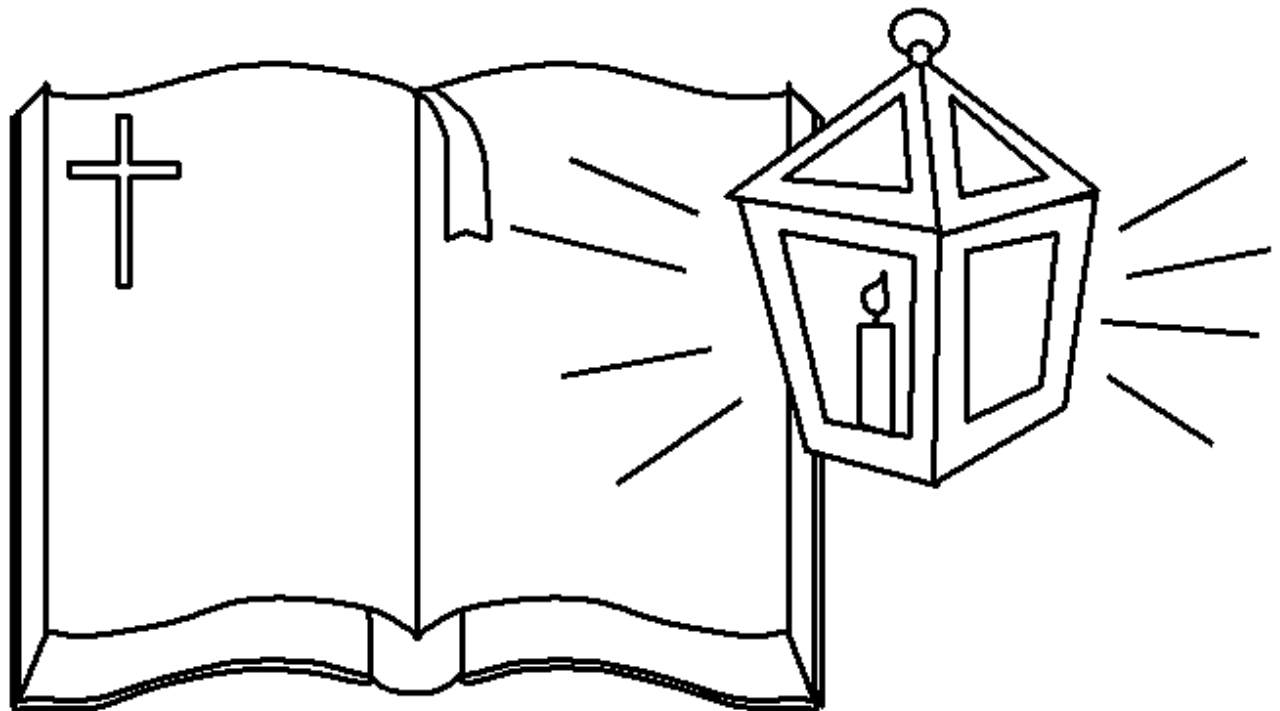

QUESTIONS TO ASK:

Who wrote the Bible? (*many different people, inspired by God*)

Is the Bible all true? (*yes!*)

Who did God write the Bible for?

FAMILY FUN: This week we learned about the importance of the Bible. This week I would encourage you to read Bible stories and/or the Bible with your kids. To take it a step further save spare change or part of an allowance, whatever you can and give the money towards buying Bibles for underprivileged families or to an organization that distributes Bibles (Gideons, Wycliffe Bible Translators, etc.).
